

**POLI 1 Bill 2: A Bill for the Expansion of the House of
Representatives**

Section 1 This bill may be referred to as “The Congressional Expansion Act of 2026” .

Section 2 The United States House of Representatives will increase in membership from 438 members to 1438 members between 2032 and 2102.

Section 3 The rate of increase will vary increasingly by year.

3.1 In 2032, the House of Representatives will increase in membership from 438 members to 538 members.

3.2 In 2042, the House of Representatives will increase in membership from 538 members to 638 members.

3.3 In 2052, the House of Representatives will increase in membership from 638 members to 838 members.

3.4 In subsequent years ending in the number 2 and while there are no more than 1437 members of the House of Representatives, the House of Representatives will increase in membership by 200 members.

Section 4 The new seats resultant from this bill will be apportioned as part of the apportionment of seats of the House of Representatives between states subsequent each census.

Section 5 This legislation will go into effect on January 1 of 2026.

Presented to the Student Congress by Donald Aingworth (IV) of Wyoklahoma.
